

2009 SHARE Host Site-Warehouse Volunteer Schedule

Below is a listing of the 2009 calendar year, and under each month is a list of the counties/ZIP codes whose host sites are asked to send volunteers to the warehouse. This list is the same one used to highlight the counties in the SHARE Times host site listings. The schedule was assembled considering that sites that are closer to the warehouse can come more frequently, while sites farther away would not be able to come as often. Also, we have done our best to schedule more distant sites for spring/summer/fall months, since winter travel can be difficult. Please note: The schedule below is only our suggestion-- your help in the warehouse is welcome any month!

If your host site is unable to attend during any of its scheduled months, please contact SHARE's volunteer coordinator at 1-800-548-2124 to reschedule. Thanks!
