

Don't Miss The Last BIG SHARE Warehouse Sale Of 2010!

Saturday, September 11, 9am – Noon

SHARE helps families save money on food every month, and our occasional warehouse inventory sales are a great chance to save! We'll host two more warehouse sales for our holiday dinner packages, but this is your last chance of the year to stock up on SHARE's wide selection of frozen meats, fresh produce and canned & dry goods—most items at special prices even better than SHARE's typical savings of 30-50% compared to grocery store prices. Everyone is welcome—there are no eligibility guidelines or membership fees.

The warehouse is located at 13111 W. Silver Spring Drive in Butler, WI. Cash, credit/debit and Quest/Link cards accepted. **First come, first served.** Sorry, no personal checks or advance orders.
