

Invitation & Drawing Instructions

25th Anniversary Summer Drawing:

As part of our 25th Anniversary Year, we are holding a drawing this summer! Every time a member picks up their order in June, July and August, they will be entered to win. With this drawing, the more times members order over the summer, the more chances they have to win. In this packet you'll find a string of double-tickets for your host site. Here's how it will work:

- 1) Each time a member picks up their order in June, July and August, give them one ticket and ask them to clearly print their name and phone number on the duplicate ticket.**
- 2) YOU keep the duplicate ticket with their name and phone number. Collect all of the tickets filled out by your members over the course of the summer.**
- 3) By the Friday after August SHARE Day, the main office must receive all of the duplicate tickets with names & phone numbers from your host site.**
- 4) Winners will be announced in the September Pink Report mailing.**

For details on the prizes, see the flyer that went out in the May Pink Report mailing or visit the SHARE website. Additional prizes will be announced as they become available.

You should have enough tickets for the entire summer, but if you need more indicate the number on the back of the purple Host Site Monthly Report. Or contact Ben LeFort at 800-548-2124 or blefort@sharewi.org. They will be sent in the next month's Load Packet.

25th Anniversary Celebration Invitation Postcards:

As mentioned in previous host site communications, we're inviting each host site to hold a 25th Anniversary Celebration. It's up to your team to decide when & where to hold your party, but we are thinking SHARE Day in September (on the 25th) will be a great day, as that's when we will complete our 25th year.

In this packet you'll find a number of postcards that you can use to invite members, volunteers past and present, and other local community members to your site's party.

You can write on the back of the card to customize it with the invitee's name and address, details on the date, time & location of your Anniversary Party, and RSVP instructions.

If you need more postcards, indicate the number you need on the back of the purple Host Site Monthly Report. Or contact Ben LeFort at 800-548-2124 or blefort@sharewi.org. A limited number are available and requests will be honored first come, first served. They will be sent in the next month's Load Packet.
