

Heroes of the Week

SHARE Volunteers

Next week will mark the 25th anniversary of SHARE, a nonprofit that provides access to reduced-cost food through a self-help distribution system. Volunteers help to sort food at the group's warehouse facility in Butler, Wis., and staff approximately 50 distribution sites throughout Milwaukee. Volunteers also operate SHARE's Mobile Market, which offers fresh fruits, vegetables and meats in neighborhoods that lack affordable, convenient access.

Readers who wish to help SHARE in their mission to build and strengthen the community through volunteer service are directed to www.sharewi.org for more information.
