SHARE Cares Food Fund

Deb Steinfeld

(MyFOX WAUSAU) - The **SHARE Cares Food Fund** raises funds to help feed families in need. We invite you to join us—your donation of any size will add up to make a big difference. SHARE's regular food buying program enables families to stretch their dollars by purchasing food at a savings of 30-50% compared to supermarket prices. That's what has always made SHARE different than food pantries and other free food programs. But we know that especially in these tough economic times, many families are not able to purchase food—even at SHARE's great prices.

At many times during our history, in addition to our regular program's focus on stretching families' food dollars, SHARE's volunteer network has also helped provide food to families in need. As part of our annual *Share The Season holiday campaign*, volunteers have collected donations to make sure that everyone in their community can enjoy complete and delicious holiday meals. During the holidays SHARE partners with social service agencies, churches and other community groups who collect donations and purchase food through SHARE for families in need. And for several years, SHARE's main office has raised funds through our Christmas Challenge to provide food to families in need. Because SHARE serves over 8,000 families every month with savings of 30-50% compared to grocery store prices, the value of these donations is stretched by the power of our volunteer network.

Donations to the SHARE Cares Food Fund will be used to help feed families in need throughout our service area. Donations of any size are welcome. To celebrate our 25th anniversary, we encourage donations of \$25 or more. \$25 can provide a family with a SHARE BIG Value Package, which includes fresh produce, canned goods
