Celebrate the holidays and stay on budget with SHARE Food Buying Club. This nonprofit, volunteer-run organization has helped families save 30 to 50 percent on quality food for more than 25 years, and the holidays are no exception. For just \$30 plus a small shipping and handling fee in some areas, SHARE's Thanksgiving Dinner Package contains all of the fixings to prepare a complete holiday spread for a family of six, including seasonal fresh produce.

Everyone is welcome to purchase food through SHARE. There are no eligibility requirements or income limits. Families can purchase and pick up their dinner package and a selection of other quality foods at one of nearly 200 SHARE locations throughout Wisconsin, northeastern Minnesota, the Upper Peninsula of Michigan and northern Illinois. Local sites include Superior's Peter Rich Center, the Solon Springs Community Center and Our Savior Lutheran Church in Iron River.

Families can shop for the Thanksgiving Dinner Package or other food packages online at [www.sharewi.org](http://www.sharewi.org) through Nov. 6. SHARE's main office is accepting orders through Nov. 4 by calling toll-free (800) 548-2124. Pick-up will take place on Nov. 19.

A complete Christmas Dinner Package is also being offered for \$30. Beginning Nov. 9, orders will be accepted online. They must be placed by Nov. 29 for pick-up on Dec. 17.

With the continued economic downturn making it difficult for many families to make ends meet, SHARE also invited the public to help others in need this holiday season.

Individuals, businesses, churches, service clubs and organizations can purchase a dinner package for a family they know or make a donation and SHARE will provide a dinner to a deserving family on their behalf.

For more information on donations, volunteering with SHARE or ordering, look the organization up online at the above web address or call the number listed above.
